

**“Hold on, my friends, to the Constitution and the Republic for which it stands. Miracles do not cluster, and what has happened once in 6,000 years, may not happen again. Hold on to the Constitution, for if the American Constitution should fail, there will be anarchy throughout the world.”**

## **WTP ANNOUNCES 20-20-100 CAMPAIGN: THE PUSH IS ON CONTINENTAL CONGRESS 2009**

### **IT IS TIME TO HOLD OUR GOVERNMENT ACCOUNTABLE**

Over many years, violations to the Constitution have become common place, with devastating effects on America. As these violations have escalated unchecked, we have become silent participants in the dismantling of our Nation, our Republic, the core of our society and the pauperization of our People.

**For those who understand** the Principles upon which this Nation was founded, who know that the People have a moral and spiritual duty to insist that our governing documents be fulfilled, and who realize AMERICA -- the Citizens of America, alone bear the Torch of Liberty for future generations and indeed, for all Mankind, this path of events now forming our future is wholly unacceptable.

For years now, Freedom loving citizens have tried to stop and reverse these wrongs by repeatedly Petitioning the government for Redress. This is a fundamental Right, as given us through the Capstone Clause of the First Amendment, a PART OF THE GRAND DESIGN OF GOVERNANCE, yet there has been **NO response** from the government.

**What happens when a government behaves as if it is beyond the Law and all accountability – even though it was designed to be the servant of the People? What happens when our citizens are willing to give the government the power to do as it pleases or feel helpless to prevent it?**

**We The People Foundation for Constitutional Education, has called for the only peaceful, lawful solution proposed to address this situation: Continental Congress 2009 will be a national assembly Of The People - held in the spirit of our Founding Fathers and the First Continental Congress, convened in 1774.**

**Three delegates, with a proven passion for the Constitution, will be nominated in every state. They will come together in a historical gathering of great importance, to lay before America and the world, the FACTS of what has and is taking place, the resulting effects on our Nation, and what can be done to insist that Constitutional obedience be restored.**

**This gathering will be a Turning Point for our Nation, as The People remember and re-claim their true citizenship, power and role as Freedom Keepers.**

**YOU ARE THE VOICE THAT WILL RECLAIM AMERICA:  
CALLING ALL PATRIOTS  
ANNOUNCING THE 20-20-100 CAMPAIGN!**

All patriots in America are needed to bring Continental Congress 2009 into view, but above all else at this time, **we need your help** to pay for this historic event. We estimate approximately two million dollars (\$2.0M) is required to cover the myriad costs associated with this undertaking, including a worldwide broadcast of the proceedings for all to hear and follow.

**JOIN THE “20-20-100” CAMPAIGN IN YOUR STATE**

We only need twenty people in each state to donate one hundred dollars each and to pledge to recruit twenty other people to donate one hundred dollars each. Will you help by becoming one of the twenty people in your state to donate \$100 and to pledge to obtain the donations of \$100 each from twenty other citizens in your state? (50 states x 20 people x 20 people x \$100 donation = **\$2.0M!** *We can do this!*)

**PLUS!** For each donation of \$100, we will provide the donor with (1) one, 1-oz., .999 pure silver commemorative CC2009 Round and we will proudly list your names and those of other contributors on our **Gratitude for Patriots** page at **www.GiveMeLiberty.org** if you wish to be recognized. What could be a more important cause at this critical time than our defense of Liberty and our Constitution?

In addition to donating now, get involved! Join with other patriots to volunteer in your state; nominate a delegate; become a CC2009 Delegate; vote for a Delegate; study your Constitution; learn about the little-known, fundamental Rights of Petition and Redress; see what's taking place; and step up with those who are standing for America.

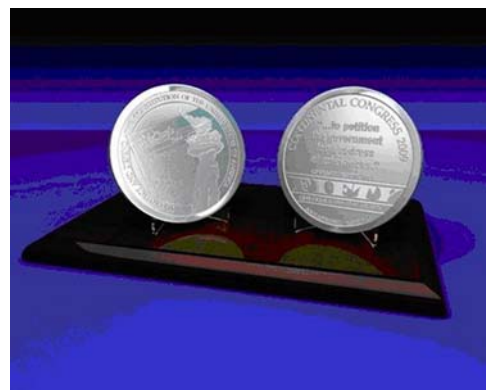

With hearts turned to God, in honor of Country and our fellow Man, in the Spirit of Brotherhood for the Freedom of all Mankind, let us become ONE VOICE for AMERICA.
