

Greetings!

I am the immediate Past President of the Suncoast Women's Republican Club Federated in St. Petersburg and a founding member of the Downtown Women's Republican Club of Tampa Federated. I was appointed by Governor Jeb Bush to the Florida Film and Entertainment Advisory Council and by the Florida Supreme Court to its Committee on Art in the Courtroom.

I am a native of St. Petersburg, graduating from Eckerd College with honors in Pre-med biology and graduating first in my entering class at Stetson University College of Law.

I am an appellate attorney, practicing before the U.S. Supreme Court, Eleventh Circuit U.S. Court of Appeal, Florida Supreme Court and other federal and state appellate courts. I am an Alliance Defense Fund allied attorney and a member of its honor guard. I have filed briefs to the U.S. Supreme Court on behalf of Liberty Counsel, Wallbuilders and William Federer.

I have been traveling around the country speaking on "**Our Current Constitutional Crisis: the Loss of our Republican Form of Government.**" My speech entails explaining the Constitution and the judicial branch's role within the Constitution. I have been the featured speaker for the Pinellas County, Hillsborough County, Polk County, Indian River County, Volusia County and Seminole County Republican Executive Committees, as well as the Georgia Federation of Republican Women and the Texas Federation of Republican Women. I have been a keynote speaker at the **6th Annual Bill of Rights Banquet** sponsored by the Constitution Committee in West Palm Beach, **National Federation of Republican Assemblies** Northeast Conference in Rhode Island and **Daughters of the American Revolution** Northeast Regents Council in Jacksonville, Florida.

I offer a message of enlightenment and empowerment.
