Subject: Fwd: Confirmation Email from Congressman Adam Smith

I just received this email from Congressman Adam Smith's office in regards to the questions of redress I submitted to his office July 30, 2008. I thought I'd forward it to you for your (our) records.

Randy,

Thank you for bringing your concerns and requests to Congressman Smith's office. Per your request, this email confirms that we received it and will be responding to your letter in the next 40 days. As it would take longer to generate a confirmation in writing from Adam, I hope this will suffice until an official response reaches you in the next few weeks.

Sincerely,

Chelsea Orvella
