Mr. Glen Mayes
7903 Coldstream Dr
Austin, Texas 78748

Dear Glen:

As your Congressman, it is important that I know your opinions on federal issues confronting our country. I wanted to take this opportunity to update you of the various ways we can keep in touch.

By visiting my website, <http://www.house.gov/doggett>, you can sign up for Lloyd's List to receive brief emails about my work on your behalf in Washington, or you can complete a survey to let me know your thoughts on issues considered by Congress. By signing up for Lloyd's List, you are authorizing me to send regular e-mail updates from my office to your e-mail account.

You can also send me messages on the topics that are most important to you by going to <http://www.house.gov/doggett/contact.shtml> and filling out a web form or by emailing me at Lloyd.Doggett@mail.house.gov. On the other hand, if you would rather keep computers out of it, you can call my Texas office at (512)916-5921.

Also, I periodically hold Office Hours in neighborhoods across our district. These informal gatherings provide me with the opportunity to ensure that your priorities are my priorities by listening to your concerns in person. I will let you

know when I will be in your area, so please come by and tell me what is on your mind.

Representing our community in Congress is the most demanding, and yet the most satisfying, experience of my life. Please keep me advised of any federal matters on which I may be of assistance.

Sincerely,
Lloyd Doggett
