Dear Mr. Obama:

Enclosed is a copy of the Open Letter as published in the Chicago Tribune earlier this week.

Please know my motives are pure and this is not a personal attack on you, your qualifications or your political ideology. It's about your eligibility, no more, no less.

I assume, because I have not heard from you, that you have decided not to authorize the officials in Hawaii to provide access to your original ("vault") birth certificate. If I am mistaken about this please have someone notify me upon your receipt of this letter. Our examiners need to know where and when to begin their work.

Regardless, I sincerely trust you have made arrangements to have the other named documents delivered to the National Press Club by 10 am on Monday, December 8, 2008. Our press conference is scheduled to begin there at 1:30 pm.

Thank you for your attention and cooperation on this matter.

Respectfully yours,

Robert L. Schulz
Chairman
