

CONTINENTAL CONGRESS 2009: PROPOSED SCHEDULE OF EVENTS

NOTE: This Draft Schedule of Events has been prepared based on the following assumptions:

1. The Constitution cannot defend itself and it is not a menu.
2. CC 2009 is a National Assembly of citizens from the states of the Union and the District of Columbia.
3. The purpose of CC 2009 is to legally end certain violations of the federal Constitution.
4. CC 2009 is the appropriate next step in a 14-year process by the free People to hold their STATE AND FEDERAL elected officials accountable to the federal Constitution.
5. The free People have exhausted their administrative and judicial remedies.
6. The free People wish now to exhaust their constitutional remedies, as guaranteed by the Declaration of Independence and the Accountability Clause of the First Amendment.
7. The Delegates wish to focus on Facts, avoiding Opinions.
8. The Delegates wish to focus on violations of the Constitution, avoiding political questions.
9. When the People are up against unjust and uncivil government and laws and they are entitled to reform they will achieve it if they are pro-active, non-violent and have a mass-movement.
